# RICE PADDY

NORTHERN THAI CUISINE

11th OCTOBER - 30th MARCH

Our good friend Paul Asher is back in London after his extensive travels across South-East Asia. He will be leading us through his enthusiasm for Northern Thai street food.

His dishes are spicy, smoky, sour, salty and sweet; throughout his residency we will be seeing ever changing dishes cooked straight over open flames.

We have designed a drinks offering that not only perfectly matches Paul's cuisine but lends a nod to the ingredients also used within the bars of Bangkok.

WE ARE PARTICIPANTS IN THE BELU WATER AID FUND AND WILL THEREFORE BE CHARGING A DISCRETIONARY £1 ON EVERY BILL FOR UNLIMITED FILTERED WATER

PLEASE NOTE WE DO NOT ACCEPT CASH
